Re: United States v. Christopher Santos, 22 Cr. 522 (GHW)

Dear Judge Woods,

We write to request a modification of Mr. Santos's bail conditions to include a curfew rather than home detention, the hours of which to be set at the discretion of Pretrial Services. Mr. Santo's current bail conditions do not permit him to work. *See* ECF No. 4 at 6. The above modification would permit Mr. Santos to seek and obtain employment and work once he secures that employment. Mr. Santos is currently working with a job coach to find work, and has otherwise complied with all conditions of pretrial release since the Court admonished him on July 18, 2023, nearly a full year ago. Pretrial Services has no objection to this request, and the government defers to Pretrial Services.

Accordingly, we respectfully request that the court modify Mr. Santos's conditions of release to permit him to seek and obtain employment and that his home confinement be replaced with a curfew, the hours of which set at the discretion of Pretrial Services.

Respectfully submitted,

/s/

César de Castro

Application granted in part. The conditions of Mr. Santos' pretrial release are modified as follows: the last two additional condition of pretrial release are deleted. Those deleted conditions appear on page 6 of Dkt. No. 4 and read as follows: "DEFT HAS PERMISSION TO LEAVE THE HOME FOR COURT, ATTORNEY MEETINGS, MEDICAL APPOINTMENTS [SIC] AND DRUG TREATMENTS; THE DEFT DOES NOT HAVE PERMISSION TO WORK OR TO ATTEND SCHOOL AT THIS POINT." All other conditions of the defendant's pretrial release remain in full force and effect, including the standard home detention condition.

The Clerk of Court is directed to terminate the motion pending at Dkt. No. 320.
SO ORDERED.
